PRESENT:

HIS HONOUR THE ADMINISTRATOR OF THE GOVERNMENT OF BRITISH COLUMBIA, IN COUNCIL.

THE COMMITTEE OF COUNCIL have had under consideration the Order of His Honour the Lieutenant-Governor in Council, dated May 27th, 1896, directing that monthly sessions of the Supreme Court for the trial of civil causes should be held during the months of June, July, August, September and October, at the Town of Nelson, within and for the West Kootenay District, and at other places within the said District, and notice of which Order was published in the British Columbia Gazette on the 4th day of June, 1896, as follows:—"Supreme Court sittings in Kootenay. That the terms of the Order directed:—

(1.) That sessions of the Supreme Court for the trial of civil causes and the disposal of such business as might be pending in the Supreme Court within and for the District of Kootenay aforesaid, be holden by and before a Judge of the Supreme Court at the Town of Nelson aforesaid, at the following times during the year, 1896, that is to say:—

On the first Tuesday in the month of June:
On the first Thursday in the month of July:
On the first Monday in the month of August:
On the first Tuesday in the month of September:
On the first Thursday in the month of October:
Commencing at the hour of eleven o'clock on each of the said days.

(a.) Provided always that if, owing to the absence of a Judge, or for other cause, any of the said several Courts cannot be opened or held on any of the days aforesaid, it should be lawful for the Deputy Registrar of the Supreme Court to postpone the opening of the Court to another day, and so from time to time; and Provided further, that any Supreme Court Judge might open and hold the said Court on any other days than those aforesaid.

(2.) That it should be lawful for any Judge of the Supreme Court to adjourn any trial or matter appointed to be tried or heard at any of the said Courts, and any of the said Courts either from day to day or to any subsequent day, either to be holden at Nelson or at

any other place within the District, and upon any such adjournment the aforesaid provisions of paragraph (1), s.s. (a) of the said Order should, mutatis mutandis, apply to such adjourned Court.

(3.) That in addition to the Courts thereinbefore appointed to be held, Courts might be held in such other places and times within the West Kootenay Judicial District aforesaid, as a Judge of the Supreme Court might from time to time direct.

In connection with the aforesaid Order the attention of the Committee of Council has been called to the inconvenience which is occasioned by the necessity of sending writs and proceedings to Victoria for enrolling, entry and issuing for remedy, whereof the Committee of Council recommend Your Honour to further order, as follows, viz.:—

I. That the aforesaid Order of His Honour the Lieutenant-Governor be affirmed.

II. That the appointment of Terence H. Giffin as a District Registrar under the "Supreme Court Act" be cancelled, and that the said Terence H. Giffin be reappointed as a Deputy of the District Registrar of the Supreme Court for the Victoria Judicial District.

III. IV. Appearances to process issued by the said Deputy Registrar, at Nelson, shall be made returnable at Nelson, and shall be entered there, and not at Victoria, and the Deputy Registrar shall receive and file, and shall issue all such process, appearances, affidavits, writs and documents, and shall collect the same fees by means of stamps as are received, filed or issued at Victoria, and all writs, appearances, affidavits, documents and proceedings whatsoever, relating to proceedings instituted at Nelson, aforesaid, or the venue in which is changed to Nelson by the Order of the Court or a Judge, shall have the like validity, force and effect as if before the date of this Order the same had been received, filed or issued at the District Registry at Victoria.

V. A Judge may at any time, by special order, direct that the issuing or filing of any writ, appearance or process, issued or filed, received or entered at Victoria, shall have the same effect as if issued, filed, received or entered, as the case may be, by or with the Deputy Registrar at Nelson.

AT THE GOVERNMENT HOUSE AT OTTAWA,
Wednesday, the 8th day of July, 1896.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

ON a Memorandum dated 30th June, 1896, from the Minister of the Interior, stating that Mr. J. L. Hughes, of Cherry Creek, British Columbia, rancher, has applied for permission to purchase the following lands situated in Township 19, Range 19 west of the 6th Meridian, viz.:—The undisposed of portions of the west half of Section 35, containing 196 acres, the available portions of the north half and south-east quarter of Section 33, together containing 245 acres, and the south-west quarter of Section 34, containing 160 acres, making a total of 601 acres. Mr. Hughes, who is the proprietor of adjacent lands, which he acquired from the Provincial Government, is extensively engaged in the business of stock-raising and requires the land he now applies for in connection with that business.

The Minister is of opinion that it is advisable to authorise a sale of the lands to Mr. Hughes.

The Minister further states that Mr. Hughes claims to have applied for the lands to Mr. Fawcett, who surveyed them for the Dominion Government, prior to 1889, in which year the price of Dominion lands in British Columbia was increased from \$2.50 to \$5.00 per acre, and he therefore contends that he should not be required to pay more than the rate existing at the time he made that application.

2. No car shall be propelled at a higher rate of speed than 4 miles an hour when crossing any bridge or trestle work, and when on a bridge or trestle work no car shall approach closer to any other car than 200 feet.

3. Should there be any foot passengers on any crossing before the car approaches the same, the car shall be stopped, so as to permit such passengers to cross.

4. Each car is to be supplied with a gong, which shall be sounded by the motoneer or the driver when the car approaches to within fifty feet of each crossing.

5. The cars shall not be wilfully driven against any person or animal whilst being upon or crossing any of the streets of the city.

6. No passenger shall be allowed to ride or travel on the roof of any car.

7. No car shall carry more passengers than the same can conveniently accommodate, and the number of passengers each car can accommodate shall be previously fixed and determined by the City Engineer or Surveyor, and indicated upon a card posted inside, and painted in plain figures upon the letter board outside of each car.

8. The route through which each car has to run shall be conspicuously marked, affixed, or indicated in letters on the outside of each car.

9. After sunset the cars shall be provided with coloured signal lights, on the front and rear of the roof, and the route shall be indicated in letters on such lights.

10. Smoking shall only be allowed on the front platform of closed cars, and the rear seat and platform of open cars.

11. No car shall be allowed to stop on or over a crossing, or in front of any intersecting streets, except to avoid a collision, or prevent danger to persons in the streets, or for other unavoidable reasons, and no cars shall be left or remain in the streets at any time, unless waiting for passengers.

12. When it shall be necessary to stop at the intersection of streets to receive or leave passengers, the car shall be stopped so as to leave the rear platform slightly over the last crossing.

13. Conductors or motoneers, or drivers, shall bring the cars to a stop when passengers get on and off cars: Provided, however, that the cars shall only be required to stop at public crossings, or at intersections of public streets, or at such other regular stopping places as may be from time to time fixed by the Company.

17. When necessary, in case of fire, the Chief, or person in charge of the Fire Department, or brigade, shall have the right to cut or pull down any wires of the Company which obstruct the operations of the firemen, or to direct that they shall be so cut or pulled down, and also to require the Company to stop the running of its cars to or near to the building or buildings which may be on fire, and the Corporation shall not be liable for any loss or damage thus caused.

18. The said Company shall run its cars over the whole of the streets mentioned in the Schedule to the agreement in the Act respecting the Victoria Electric Railway and Lighting Company, Limited, 57 Victoria, chap. 63, Statutes of British Columbia, on which tracks are now laid, or may hereafter be laid, to the present city boundary lines on said streets.

19. On or before the 31st March, 1897, the said Company shall provide, to the satisfaction of the City Engineer or Surveyor, all its cars run on any of the said streets, with a guard, protector or fender upon the front end of each car, which guard protector or fender shall extend at its foremost point as near to the road bed as shall be practicable, and shall be so constructed and adjusted that any person or object struck by any such car while in motion may be either raised from the ground by the said guard protector or fender, and carried along by the said car until the same can be stopped or be pushed from the track.

20. No person, when not in danger of injury, shall voluntarily get up on any such guard protector or fender attached to any car, as hereinbefore provided, whether such car be standing still or in motion.
